

members wanted

PROFESSIONAL ADVISORY COMMITTEE

We want your VALUABLE INPUT. Apply to become a member at large.

The Winnipeg Health Region Professional Advisory Committee (PAC) advises the regional Board of Directors on policy related to patient/resident/client care issues. PAC provides a forum for discussion of interprofessional issues, and action related to clinical practice, education, research and leadership. Members of PAC provide leadership and monitor patient safety initiatives, consider standards and scope of practice issues and promote evidence informed practice within the Winnipeg Health Region.

The Committee is comprised of appointees from the Allied Health and Nursing Leadership Councils, the Medical Advisory Committee, the Long Term Care Leadership Council, and the Medication Quality & Safety Committee. In addition, six members at large from various professional disciplines also participate on the committee.

The Winnipeg Health Region is looking for interested clinical professional staff to serve as members-at-large on PAC. If you are interested in applying to sit as a member-at-large, please submit your application to Brandy Stadnyk by August 25, 2023. If you know of someone who you think would be the ideal candidate for the position, please encourage them to complete an application form.

The PAC terms of reference are available from Courtney Rehill at 204-926-7827 or crehill@wrha.mb.ca

Members will be selected from among the applicants and will be notified by September 1, 2023.

Submit your application, before August 25, 2023 at 4:00 pm, to:

Brandy Stadnyk, RN, MN, CVAA(c), GNC(c)
