

## Information - ISOLATION GOWNS

Good morning,

As we begin the major ramp up of isolation gown usage can I ask that your site ensure that the soiled is picked up quickly and staged for Regional Laundry Services to pick up. We will be enhancing our production and doing whatever it takes to turn these around swiftly. If you have any issues with the soiled pick up within your site please contact me so that we can mitigate any barriers.

Call or text: 204-471-3811.

Thanking you in advance,
