

Free Tax Services

Please see below from Vicki Verge, Regional Director, Social Worker, for distribution as appropriate

I would recommend keeping an eye on Canada.ca, as the directory of free tax services is being kept up to date, and as things continue to progress more organizations may begin advertising online:

You will find information for the YPN Winnipeg Contact-Free Clinic at the link above

Community Financial Counselling Services (CFCS) is also still offering free tax services by drop off only – they can be reached at 204-989-1912.

As well as announced by the Prime Minister on March 18, 2020, tax filing season will be extended from April 30 to June 1, 2020. We hope this will give community members the opportunity to file their income tax returns before the June 1 deadline.
