COVID-19 Designated Entrances to Support Enhanced Staff Screening within Community

As part of a coordinated approach to prevent the spread of COVID-19, the WRHA is taking appropriate measures to protect our staff and patients. In compliance with these measures and outlined in the Screening for Staff memo updated 9-Apr-20, the below locations have been designated for community staff members to access daily screening prior to the beginning of each shift/work day.

Staff are reminded to present to the location most convenient. Please find the community locations and times for screening below
