(1) Offer applies to regular price of all TELUS SmartHome Security (SHS) plans excluding Smart Camera. SHS plans require either a 3-year or 5-year term, except Smart Camera and Smart Automation Plus plans, which only qualify for a 3-year term. Available to existing TELUS or Koodo Mobility post-paid customers who have not subscribed to SHS services in the past 90 days. Customers with an active TELUS or Koodo Mobility post-paid account will receive a discount of \$10/month. Discounts are applied on the SHS plan and TELUS reserves the right to remove mobility discounts if customer no longer meets eligibility requirements. Current regular pricing can be viewed at telus.com/smarthomesecurity. Offers and regular pricing subject to change without notice. Regular price of SHS plans are: \$33/month for Smart Automation Plus plan, \$47/month for Secure, \$57/month for Secure Plus Video plan, \$57/month for Control plan and \$67/month for Control Plus Video. Control Plus Video plan will also receive an incremental \$7/month. Control can be combined with other SHS promotional offers. Minimum system requirements apply. Equipment may not be as shown. Final eligibility for the services will be determined by a licensed and certified TELUS technician. A cancellation fee applies for early termination of the 3-year or 5-year service agreement equal to \$10/month for the Smart Camera and Smart Automation Plus plans, and \$35/month for the Secure and Control plans, multiplied by the number of months remaining in the service agreement (with a partial month rounding as a full month), plus applicable taxes. Rental equipment must be returned in good condition upon cancellation of service, otherwise the replacement cost will be charged to the account. Installation fee of \$100 applies for customers subscribed to 1 or more of the following services: TELUS pro-rated monthly, SmartUp, High Speed Internet or Koodo post-paid Mobility. The installation fee for all other customers is \$450. Additional installation fees may apply for extra equipment. A \$100 kit fee is charged on self-install orders and is 100% refundable when service is activated within 30-days of order. This includes installation of automation and security devices, app installation and a walk-test where required. Once your service is activated you will be notified by email within 5 business days that the kit fee has been automatically refunded to your bill.
