

## **Anesthesiologists**

### Description:

Shared Health (1502-155 Carlton Street, Winnipeg MB R3C 3R9) and the Winnipeg Regional Health Authority (business addresses noted below) are seeking full-time permanent Anesthesiologists interested in an integrated approach to providing superior clinical care, education and research in Anesthesiology. Job duties include establishing and administering anesthetic plan, monitoring patient vital signs, administering pain relief, educating medical students and research. Job duties are required in English.

### Qualifications:

Successful candidates must hold a Doctor of Medicine Degree and must be certified, or eligible for certification by the Royal College of Physicians and Surgeons of Canada, and eligible for licensure with the College of Physicians and Surgeons of Manitoba. Faculty on academic tracks may have alternative licensing opportunities. Experience is preferred.

### Compensation:

Compensation is derived from fee-for-service income (approximately \$340,000.00-\$500,000.00/annual). No benefits available at this time.

### Primary Site Location:

Health Sciences Centre - 820 Sherbrook Street, Winnipeg MB R3A 1R9

### Secondary Site Locations:

Physicians may be eligible for a recruitment incentive. Please contact [physicianrecruitment@sharedhealthmb.ca](mailto:physicianrecruitment@sharedhealthmb.ca) for further information.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. We thank all applicants for their interest. Only those selected for further consideration will be contacted.

Winnipeg is the referral centre for the Province of Manitoba and beyond, serving a population of over 1.3 million people. Winnipeg boasts a low cost of living, vibrant cultural scene and a wide variety of recreational activities. Exciting career opportunities are available combining clinical work and non-clinical interests (research, teaching and administration). Excellent earning potential and career advancement opportunities are just some of the benefits.
