

Thoracic Surgeon

Description:

Shared Health (1502-155 Carlton Street, Winnipeg MB R3C 3R9), and the University of Manitoba, Department of Surgery(business addresses noted below), are inviting applications for a Thoracic Surgeon to fill our labour shortage in Manitoba. Main job duties include surgical procedures on organs in the chest, prescribing medications and treatment, ordering lab tests and x-rays and other diagnostic procedures, consulting with other physicians as required, and medical research, which job duties encompass 80% of the position. The position encompasses inpatient and ambulatory patient care responsibility and requires individuals with clinical and teaching skills to further the aims of the undergraduate and postgraduate teaching, research and tertiary care medicine. The Program incorporates a rich mix of emergent and elective Thoracic Surgery. The Health Sciences Centre Winnipeg provides comprehensive thoracic surgical care to a population base of 1.2 million people.

The successful candidate would also be eligible for appointment at the rank of Assistant Professor, and appointed as a geographical full-time member of the Max Rady College of Medicine, Rady Faculty of Health Sciences at the University of Manitoba, which job duties encompasses 20% of the position. Job duties are required in English.

Qualifications:

The successful candidate must hold a Doctor of Medicine Degree with specialization in Thoracic Surgery. The successful candidate must be eligible for certification with the Royal College of Physicians and Surgeons of Canada, and registration with the College of Physicians and Surgeons of Manitoba. Advanced endoscopic skills/expertise and foregut expertise, along with further fellowship training and advanced academic degrees would be an asset.

Compensation:

Compensation is derived from fee-for-service income (approximately \$300,000-500,000/annually).

Specialty Physicians may be eligible for a recruitment incentive. Please contact physicianrecruitment@sharedhealthmb.ca for further information.

Benefits, available from the University of Manitoba, include pension, life insurance, disability, dental coverage, supplementary health coverage and a healthcare spending account.

Primary Site Location:

Health Sciences Centre - 820 Sherbrook Street, Winnipeg, Manitoba R3A 1R9

University of Manitoba – Bannatyne Campus, 750 Bannatyne Avenue, Winnipeg, Manitoba R3E 0W3,

Contact:

Applications, accompanied by a curriculum vitae, a list of publications, and the names of three references, should be sent to Dr. Ed Buchel, Head, Department of Surgery and Dr. Larry Tan, Section Head, Thoracic Surgery, University of Manitoba, Winnipeg Manitoba, Canada via email to astgermain@hsc.mb.ca.

Shared Health and The University of Manitoba, are strongly committed to the principles of equity, diversity & inclusion and to promoting opportunities in hiring, promotion and tenure (where applicable) for systemically marginalized groups who have been excluded from full participation at the University and the larger community including Indigenous Peoples, women, racialized persons, persons with disabilities and those who identify as 2SLGBTQIA+ (Two Spirit, lesbian, gay, bisexual, trans, questioning, intersex, asexual and other diverse sexual identities). All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact UM.Accommodation@umanitoba.ca or 1-204-474-8371. Please note this contact information is for accommodation reasons only.
