

House Medical Officer

Description:

The Winnipeg Regional Health Authority (WRHA) is inviting applications for a House Medical Officer(HMO) for the emergency eye intake service at Misericordia Health Centre. The emergency eye intake service is staffed 24/7, with shifts from 6 to 12 hours in duration. Ophthalmology training will be provided if needed.

Responsibilities include:

- Urgent assessments and triage of medical problems that occur in the facility (eg. LTC wards, ophthalmology inpatient unit, outpatient eye clinic and other outpatient areas in the facility);
- Provide assessment and treatment or consultation triage to patients who come to Misericordia on an unscheduled basis with what they perceive to be an urgent eye problem;
- Provide general medical care to ophthalmology inpatients and respond to urgent situations in all areas of Misericordia Health Care.

Qualifications:

- Must be eligible for registration with the College of Physicians and Surgeons of Manitoba (CPSM).
- CCFP certified
- Must be eligible for a medical staff appointment with the WRHA

Compensation:

Compensation paid at a sessional rate

Primary Site Location:

Misericordia Health Centre – 99 Cornish Avenue, Winnipeg MB R3C 1A2
