

Site Medical Manager – Surgery/Orthopedics Concordia Hospital

The Winnipeg Regional Health Authority (WRHA) is seeking a Site Medical Manager – Surgery/Orthopedics for Concordia Hospital.

Under the direction of the Regional Surgical Specialty Lead, the successful incumbent will:

1. Oversee the day to day operation of the specialty at Concordia Hospital.
2. Provide medical direction and support to the orthopedic specialists at the site
3. Ensure that specialty members are compliant with the WRHA Medical Staff Bylaw; WRHA Rules and Regulations and medical standards of practice
4. Delegate on recruitment activities for the specialty at the site
5. Consult with Provincial Clinical Specialty Leads as required to address issues and opportunities.
6. Perform regular performance evaluations on those medical staff who report directly to the position
7. Support the SDO Medical Specialty Lead in facilitating the transition of new models and standards of care
8. Participate in the normal administrative business activities required of a Lead in a specialty role including attendance at meetings and working closely with personnel involved in patient flow activities
9. Keep the SDO Medical Specialty Lead informed of all relevant activities within the specialty at the site.

Qualifications:

- Eligible for full registration on the specialty registry with the College of Physicians and Surgeons of Manitoba
- Hold an FRCPC Orthopedics Royal College of Physicians and Surgeons of Canada
- Minimum of three years' experience required in a medical leadership role.

Location:

Concordia Hospital
