

Family Physician - Hospitalists

The Winnipeg Regional Health Authority Family Medicine & Internal Medicine Programs are seeking family physicians for the position of Hospitalist at St. Boniface Hospital.

The Hospitalist would work as part of a multidisciplinary team to help provide medical coverage to our inpatient population. Hospitalists would admit patients to their units, primarily from the Emergency Department. Responsibilities would include admission histories, daily rounds, procedures as indicated, involvement in multidisciplinary rounds, and discharge planning. Hospitalists would be supported by onsite internal medicine consult team as well as other specialists as required. The St-Boniface Hospital unit also serves as a FM residency training site.

The Hospitalist shall be on site during the day and will manage between 15 and 18 patients. Fourteen (14) consecutive shifts shall normally be worked in a rotation, and after-hours care shall be shared for the unit's patients from 17:00 to 22:00.

Qualifications:

- Must be eligible for licensure and in good standing with the College of Physicians and Surgeons of Manitoba (CPSM)
- CCFP or other relevant postgraduate training is preferred.
- have and maintain liability/malpractice coverage with CMPA or equivalent coverage with an insurance carrier satisfactory to the WRHA.

Remuneration: Stipend & fee-for-service
