

NEED A PALLIATIVE CARE CONSULT?

HEALTH-CARE PROFESSIONALS ARE AVAILABLE 24-7

Patients or residents with life-limiting conditions may experience symptoms such as pain, nausea, or shortness of breath. There may be challenging decisions around goals of care, limiting investigations, or withholding/withdrawing treatments. Difficulties addressing these issues may significantly compromise comfort and quality of life during a vulnerable time.

SUPPORT IS JUST A PHONE CALL AWAY

Health professionals experienced in managing complex palliative care issues are available 24 hours a day for consultation with other health-care professionals to assist in the care of adults and children with life-limiting illness, and to support health-care teams involved in their care.
