

Primary Care Physician – Family Medicine

Access Transcona

Description

The Winnipeg Regional Health Authority Primary Care Program is seeking applications for a permanent, part-time (0.5 EFT) family physician at Access Transcona.

This is an opportunity to join an inter-professional health and social services team that includes physicians, nurse practitioners, primary care nurses and allied health professionals. The position supports a well-balanced lifestyle within a competitively remunerated contract.

Qualifications

- Must be eligible for licensure with the College of Physicians and Surgeons of Manitoba (CPSM)
- CCFP certified

Compensation

An attractive Independent Contractor remuneration package is offered

Location

Access Transcona – 845 Regent Ave W, Winnipeg, MB
