

**WINNIPEG REGIONAL HEALTH AUTHORITY
GENERAL SURGERY LOCUM**

The Winnipeg Regional Health Authority invites applications for a Full-Time Locum General Surgeon who has subspecialty training in Colorectal Surgery/Colorectal Surgical Oncology to commence July 1, 2021 or as soon as possible thereafter.

The successful candidate should be eligible for certification with the Royal College of Physicians and Surgeons of Canada and licensure with the College of Physicians and Surgeons of Manitoba. Compensation is derived from Fee-for-Service income.

The successful candidate will work with a team of subspecialty trained surgeons on a busy Colorectal and General Surgery Service at St. Boniface Hospital and must have advanced colorectal techniques and minimally invasive surgery experience. They will also be expected to participate in call on a busy tertiary care Acute Care Surgery Service, so a broad and capable general surgery skill set is a must.

Applications, accompanied by curriculum vitae, a list of publications, and the names of three referees should be sent to Dr. Ed Buchel, Provincial Specialty Lead, Surgery and Dr. Jeremy Lipschitz, Regional Lead, General Surgery, Surgery Program, Winnipeg Manitoba, Canada via email to astgermain@hsc.mb.ca.
