

User Instructions – Setting HPECD Database as an Internet Favorite

Quick Reference

How to set CHR – HPECD database as an Internet Favorite

It's encouraged that users set the login to the database as a favorite within the Edge in lieu of setting on the desktop. As desktop items can be lost and require updates from Digital Health.

1. Click on the following link to access the Production environment for the first time;

<https://chr.sharedhealthmb.ca/Momentum/MappLogin.aspx>

2. Open Edge using the start menu or desktop icon  - Within the Edge window select the address bar and type in the following address:

<https://chr.sharedhealthmb.ca/Momentum/MappLogin.aspx>

3. Once viewing the User ID/ Password login screen -

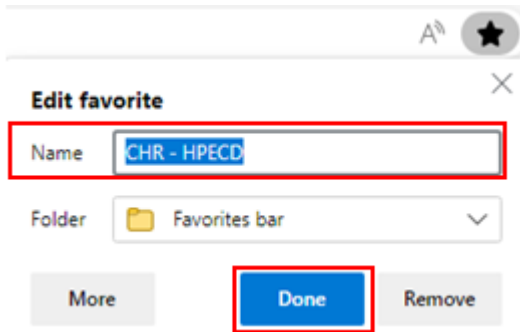

4. Click on the Favorites symbol on the top right hand corner of your screen "Add this page to favorites"

User Instructions – Setting HPECD Database as an Internet Favorite

5. Enter the name of the application and click 'Done'

6. To access the database in the future complete steps 1-2 then select the CHR – HPECD name from the favorite list.
