Dear _____ ,

Public Health nurses contact all families after the birth of their baby. I have been unable to reach you today. Public Health nurses can provide support, and connect you to services in your area.

Please call me at _____, or send a text that you are unavailable to connect this weekend between 9:00 a.m. and 4:00 p.m. If I am unable to get to my phone when you call, please leave me a message. Let me know if you have any questions or health concerns and how a nurse can reach you.

If you are calling outside of these weekend hours, please phone a public health nurse in your community area, Monday through Friday, between 8:30 a.m. and 4:30 p.m. Your district public health office phone number is circled on the back of this letter. I look forward to hearing from you to provide service if needed.

Sincerely,

Public Health Nurse
