Falls Risk Flag

ADD A FALLS RISK FLAG

- 1. Do one of the following:
 - Press **F7** to bring up Patient Tasks window.
 - Or –
 - **Double-click** on an **Alert** or **Flag icon** from the Patient Tag line.
- 2. Click on **NEW** beside the Patient Flags heading. The "Add Patient Flag" window opens.
- 3. **Choose** the Falls Risk Flag.
- 4. Click on OK.

The icon identifying the type of flag will appear on the Patient Status bar:

🕉 🖺 Patient: ZZTest, Patient 1933-Dec-08 (84 Yr female) 783742987
