Dr. Mary Jane Jamieson

Office: Family Medical Centre - 500–400 Taché Avenue

“The women of my family have been involved in the care of women in their community during the birthing process for at least five generations. As a physician I have been privileged to attend many births and often get to know the whole family. After working at the Grace Hospital and in Tennessee, I now have the opportunity to work with young physicians as they develop their birthing skills as part of the Family Medicine Residency program. When leaving the St. Boniface Hospital nursery, I enjoy visiting the plant nursery to add new items to my garden.”

Dr. Katherine Kearns

Office: Prairie Trail Medical Centre - 1345 Taylor Avenue

Dr. Kearns completed medical school at the University of Alberta in 2004, and completed her Family Medicine Residency at the University of Manitoba in 2006.
