

HOW TO ORDER PEP PACKAGES

WRHA Occupational and Environmental Safety & Health has updated the Post Exposure Protocol package to follow the Provincial Exposure Protocol Guidelines.

Action Required: The updated PEP Package can be ordered in SAP. Upon receiving the new packages, please discard any of the previous versions of the staff PEP packages. The PEP package contains instruction on how to complete the PEP package.

For the location of the PEP Packages on your unit, please consult with your Manager.

You can order for your department with the following SAP numbers as the packages are site specific:

- Community / Corporate Sites = 346818
- Concordia General Hospital/Concordia Place = 346811
- Deer Lodge Centre = 346812
- Grace General Hospital = 346813
- Health Sciences Centre = 346814
- Middlechurch Personal Care Home = 346811
- Misericordia Health Centre = 346815
- Laundries (Inkster and Selkirk) = 346816
- Pan Am Clinic = 346818
- Regional Distribution Facility = 346811
- River Park Gardens = 346812
- Seven Oaks General Hospital = 346816
- Victoria General Hospital = 346817

Any questions can be directed to the site Occupational Health Nurse. Contact information can be found [here](#).
